Phil Perry, Branch Chief and Dan Murray, Assistant Commissioner have both been consulted on this matter. They have no objection to EPA moving forward to issue the NOV to U S Steel.

I do have a request, please copy IDEM's attorney on all future communication. The attorney is Deputy Attorney General Sierra Cutts e-mail:scutts@atg.state.in.us. Thanks.

Brian is out this week, but I would like to finalize the US Steel Gary Works NOV. Has everyone at IDEM had a chance to review? Can someone from IDEM please confirm? If I left anyone off this email, please forward.

Thanks,

Ethan.,
